Sir,-

Cutknife - Whitford Lake Branch
S.W. 10 - 55 - 13 W. 4th

We would appreciate a reply to our letters of the 23rd August and 8th September, in which we enquired as to whether patent would issue for 0.60 of an acre in L.S. 6 of the above section, required for station grounds. We advised you in our letter of September 8th that the waters of the lake had receded at this point and that the fraction of an acre referred to is now dry land. We presume, but would like to be advised definitely. that there would be no difficulty in issuing patent to the Company.

We have the honour to be, Sir,

Gentlemen:

Re: Outhnife-Whitford Lake Branch of Canadian Pacific Railway.
S.E.¼ Sec. 10-66-13-W. 4th Mer.
Your reference - J. 756.

I have your letter of the 10th instant as well as your previous communications with respect to the desire of the Canadian Pacific Railway Company to acquire title to the portion of its station grounds in the above mentioned quarter section, shown on the right of way plan as being in the bed of the lake, and comprising an area of .60 of an acre.

The Department has ascertained from the Registrar of Land Titles, Edmonton, Alberta, that Mr. Kyriheri Shumkrisk of Whiteland, Alberta, is the registered owner of 97 acres of land in this quarter section and that the Canadian Pacific Railway Company is the owner of the balance of the patented area in the quarter section, namely, 61 acres.

Inasmuch as Mr. Shumkrisk is the original homestead patentee of this fractional quarter section, he is entitled, under the present practice, to a supplementary grant of the area in the quarter section left dry by the recession of the waters of the lake, and accordingly it would not be in order for the Department to make a free grant to the Canadian Pacific Railway Company of any portion of the accrued area required for railway purposes without regard to Mr. Shumkrisk's interests.

After careful consideration of the requirements of the Railway Company in this instance, it is thought that the simplest way to deal with the small parcel in question would be for the Department to issue suit able Letters Patent therefor in favour of the Company and have the Company compensate Mr. Shumkrisk for the lands.

Messrs. Hart, Scott, Kelly & Kelley,
Barristers,
Ottawa.

Accordingly, if you will write the Department to the effect that the Company will voluntarily make payment to Mr. Shaudrish for the .60 of an acre at the same rate at which it paid him for the adjoining portion of the station grounds in the quarter section, steps will be taken immediately towards the issue of Crown Grant in favour of the Company for the small area required to complete the station grounds. It is quite evident, from the edition of the township plan approved in January, 1930, that this portion of the station grounds is now dry land.

I may add that settlement of this matter on the basis outlined should not be regarded as a precedent, as applications for areas of accrued land required for railway purposes must be dealt with as they arise on their respective merits.

A.S.W

Memorandum -

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re. John B. Westwood,
S.W. 28-48-1-W.4th M. (Had.)

The above-described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour on the 20th August, 1924, the settler secured advances from the Board totalling $3300.00, as follows: land purchase, $2520.00; stock and equipment, $780.00. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is title to the S.W.¼ 28-48-1-W.-th Meridian, which was purchased for the settler by the Board.

The Board is informed that the settler has completed the duties in connection with his homestead and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Acting Commissioner of Dominion Lands to the settler dated the 8th August, 1928.

The regulations approved by the Governor in Council on the 4th day of June, 1921, P.C. 1321, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land in question be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid, in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 28-48-1-W.-th Meridian be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 24 of the Act as the advances referred to were made to the settler subsequent to the date of his entry for the homestead.

A Vesting Order for signature is attached hereto.

W.W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
O t t a w a.

Chairman.

TO WHOM IT MAY CONCERN:

WHEREAS John B. Westwood, a 'settler' within the meaning of the Soldier Settlement Act, 1919, who holds under entry a parcel of Dominion lands, namely, the S.W.¼ 34-45-1 W.4th Meridian, on which a charge has been imposed, constituted or created under the said Act, has complied with the conditions of his entry to entitle him to receive Letters Patent for the said land but for the charge imposed against it as aforesaid;

AND WHEREAS, pursuant to an application made by the said John B. Westwood, who is residing on the said land, the Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June, 1921, P.C.1081;

WITNESSETH that the undersigned, pursuant to the powers and authorities conferred upon him by the said regulations approved by the Governor in Council on the 4th day of June, 1921, P.C.1081, declares the right, title and interest of His Majesty in the said land, except mines and minerals, whether solid, liquid or gaseous, to be vested in the Soldier Settlement Board of Canada.

Dear Sirs:

Re: John Boyce,

We understand that the above named applicant for Old Age Assistance applied for a Homestead patent in 1915. Mr. Boyce does not remember the legal description of the land, however, he states it was situated on Saskatoon Creek near Pouce Coupe, British Columbia.

As we are having considerable difficulty in establishing his age for pension purposes and have made arrangements to set up a Tribunal in this regard on March 27th we would appreciate very much if you would check your records and advise us of Mr. Boyce's age at the time he applied for patent.

An immediate reply in this regard would be greatly appreciated.

None except a day or two.

I cut a road for half a mile through bush to this land.

Owing to misrepresentation of the Govt Land Guide who assured me that this land was of the class open for entry I would ask that the fee I have paid in this connection be transferred to some land I may select

I have not directly or indirectly done or promised to do anything, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.

And I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act, 1893.

Office of the Chairman

OTTAWA - [illegible]

[illegible]:

Request for Title under Order in Council of the 4th June, 1921, where duties have been performed by soldier settler.

Re: D. W. Blair,
S.W.¼ 6-39-4 W.5th M. (Hsd.)

The above-described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour on the 10th September, 1919, the settler secured advances from the Board totalling $4993.27, as follows: land, $3000.00; stock and equipment, $1993.27. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board is title to the S.E.¼ 6-39-4 W.5th M., purchased for the settler. P.T. 217-07.

The Board is informed that the settler has completed the duties in connection with his homestead, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Secretary of the Department of the Interior to the settler dated the 18th October, 1923.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1821, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 6-39-4 W.5th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 20 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead.

A Vesting Order for signature is attached hereto.

WHEREAS D. W. BLAIR,

a settler within the meaning of the Soldier Settlement Act, 1919, has under entry a parcel of Dominion lands, namely the

S.W.¼ 6-39-4 W.5th Meridian,

on which a charge has been imposed, constituted or created under the said Act, and the conditions for the issue of patent for the said land have been fulfilled but for the charge imposed against it as aforesaid;

AND WHEREAS, pursuant to an application made by the said D. W. BLAIR who is residing on the said land, the Soldier Settlement Board has requested the Minister to transfer the said land to the Board to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June, 1921, P.C. 1821.

WITNESSETH that the undersigned, pursuant to the powers and authorities conferred upon him by the said regulations approved by the Governor in Council on the 4th day of June, 1921, P.C. 1821, declares that right, title and interest of His Majesty in the said land except mines and minerals, whether solid, liquid or gaseous, to be vested in the Soldier Settlement Board of Canada.

Sir,-

In reply to your letter of the 21st ultimo, File No. 46804, I am to inform you that, in some way which cannot just now be explained, it would appear that the Declaration of Abandonment executed by Mr. H.C. Edwards of his entry for the South East ¼ of Section 2, Township 39, Range 19, west of the Fourth Meridian, which reached the Department early in October last, has been overlooked. You are now authorized to carry out cancellation and to make the land available for re-entry on the ordinary terms, the value of the improvements- stated to be four acres of breaking and a stable, worth $30.00- to be collected in addition to the fee.

Mr. Edwards may be allowed to take up another homestead if he so desires on the usual terms.

Your obedient servant,

The Agent of Dominion Lands,

OTTAWA - OCT 14 1930

Memorandum:

Request for transfer of Settlers Lands under Section 27 of the Soldier Settlement Act.

Re [illegible] - Quarter Section [illegible] - L. Settler.

The above mentioned land was secured by this settler under Soldiers Grant. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been cancelled.

The settler was established with a loan on the 20th October, 1919, and in the course of the advances from the Board amounting to $4,770.00, as follows: land purchase, $2,419.00; improvements, $1,900.00; stock and equipment, $750.00; special advances, $700.00. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is title to the South West quarter of Section 2, Township 30, Range 27, West of the 4th Meridian.

This settler leased his farm in 1926, but very little was realized. In November, 1928, he was written to under registered cover and he replied from Red Deer, where he had left his family, saying he had a good job for the summer running engines, in which there was more money than farming. He apparently was of the opinion that he could clear up his arrears faster by renting and turning over one-third share to the Board and working on the job than by staying on the farm himself. He was notified on the 6th February, 1929, that he must return to the farm and operate it himself. This he did not do, and an effort was made to have the lease taken over the contract. Adjustment proceedings were withheld until the 15th March, 1929, when the usual thirty-day notice was served. The settler's agreement with the Board was finally rescinded, pursuant to the notice served on him.

The settler's indebtedness to the Board amounts to $4,616.74. The quarter section to which we hold title is reserved for British Family Settlement purposes at a price of $4000.00. The homestead was appraised in the last at $1400.00. No arrangements have been made for the disposal of this quarter section and no offers have been received.

The land in question being classed land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited, and the said right, title and interest of the settler and also the right, title and interest of his widow in the said classed land be vested in the Board.

The Board has no [illegible] in the settlement to mention at present. If the settler [illegible] advances referred to in the seventh paragraph hereof, [illegible] subsequent to his entry into his homestead.

made by the Board found and determined that the settler has made default as hereinbefore recited and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited.

Gentlemen

Having recently settled on the N. E. ¼ of 23-59-4 W 5. As this land is on the market please instruct me as to price and terms at your earliest convenience.

Yours truly
